# Reliable and Efficient Moving Services for Nursing and Retirement Homes

At Making Moves Logistics Inc., we specialize in providing reliable and efficient moving services tailored specifically for seniors transitioning to nursing and retirement homes. We understand that moving to a new living arrangement can be emotionally and physically challenging, which is why our team is dedicated to making the transition as smooth and stress-free as possible.

## OUR MOVING SERVICES

### Professional Packing

Our trained professionals will handle the packing process, ensuring that your belongings are safely and securely packed for transportation. We use high-quality packing materials to protect your items during the move.

### Loading and Unloading

Our experienced movers will efficiently load your belongings onto our trucks, utilizing proper techniques to prevent damage. Upon arrival at the nursing or retirement home, we will unload and carefully place your items in the desired locations.

### Furniture Disassembly and Assembly

If needed, we will disassemble your furniture before the move and reassemble it at your new residence. Our team has the expertise to handle various types of furniture, including beds, tables, chairs, and more.

### Storage Solutions

We understand that you may need storage options during your transition to a nursing or retirement home. If you require temporary or long-term storage for your belongings, we can provide secure storage solutions.

# Specialty Item Handling and Transportation

We understand that seniors may have valuable or delicate items that require special care. Whether it's antiques, artwork, or fragile possessions, we have the expertise and equipment to handle them with the utmost care and attention.

## OUR SPECIALITY SERVICES

### Speciality Item Packing

Your delicate and valuable items deserve extra protection. Our team utilizes specialized packaging materials and techniques to ensure that your items are well-protected during transportation. We take extra care to safeguard their condition and preserve their value.

### Customized Crating

Some items require additional levels of protection. For such cases, we offer custom crating solutions tailored to the specific dimensions and requirements of your specialty items. These sturdy and secure crates provide maximum safety during the entire moving process.

### Secure Transportation

Our trucks are equipped with advanced safety features to ensure a smooth and secure journey for your belongings. We employ trained drivers who prioritize the safety of your items throughout the entire relocation process.

Rest assured that when you entrust us with your specialty items, we treat them as if they were our own, taking every precaution to ensure their safe and secure transportation.

# TESTIMONIALS

## HEAR FROM OUR SATISFIED CLIENTS

Bethany S.

I've used Making Moves Logistics Inc. twice and both times were amazing. There was no stress (and moving is always stressful), they were efficient and took care of all my belongings as if they were their own. Nothing broken, nothing lost. All the guys are very nice, friendly, and trustworthy. All around a great experience and would definitely recommend!

Mladen S.

I have moved many times, but these guys are by far the best I've ever hired, I would highly recommend them. They were punctual, organized, and very hard working. Doug, Mike, Josh, and Dylan were all amazing. Great job guys! Super happy with your service.

Carson K.

Mike and the Team at Making Moves were nothing short of incredible for our residential move. The Team was careful and very efficient. I am not sure I saw one of them take a break during the entire move. Mike was very attentive to my concerns about some of our furniture and being extremely careful with it. They took care of the furniture as if it was theirs. We could not have moved without them. I still do not know how they moved some of our pieces into our new place! Cannot say enough great things about Mike and the Team. Highly recommend Making Moves!

Rebecca S.

Mike & Doug are always professional to work with. They've been a pleasure to get to know in this business
